Education

2018–Present **Doctor of Philosophy (PhD) in Computer Science and Engineering (CSE)**, *Nanyang Technological University (NTU)*, Singapore, Data Management and Analytics Laboratory (DMAL).

- **Supervisor:** Prof. Arijit Khan
- **Courses:** Information Retrieval and Analysis, Data Mining, Deep Learning for Data Science, Advanced Topics in Distributed Systems, Artificial Intelligence in Game Design, Database Systems
- **CGPA:** 4.0/5.0
- **GRE Score:** Verbal: 157/170, Quantitative: 170/170, Analytical: 4.0/6.0
- **TOEFL Score:** Reading: 29/30, Listening: 26/30, Speaking: 27/30, Writing: 30/30

2014–2018 **Bachelor of Technology (BTech) in Computer Science and Engineering (CSE)**, *Indian Institute of Technology (IIT) Delhi*, New Delhi, India, Departmental Specialization in Data Analytics and Artificial Intelligence.

- **Thesis:** Random Walks and Reachability in Large Bloom Graphs
- **Supervisor:** Prof. Maya Ramanath
- **Graduate Courses:** Machine Learning, Logic For Computer Science, Natural Language Processing, Numerical Algorithms
- **CGPA:** 8.187/10.0, **DGPA:** 8.223/10.0

2012–2014 **High School**, *D.A.V. Model School*, Durgapur, West Bengal, India, Affiliated to CBSE.
AISSCE (Final Exam) Grade: 95.80%

2001–2012 **Secondary School**, *St. Xavier's School*, Durgapur, West Bengal, India, Affiliated to CISCE.
ICSE (Final Exam) Grade: 95.43%

Experience

May 2017 – July 2017 **Software Engineering Intern**, *Samsung R&D Institute*, Bangalore, India, Android Platform Team.

- **Mentor:** Preeti Rani Deka
- **Project:** Android Client for Gear Watch Device (GWD) Tool
- **Description:** Designed a generalized parser for any arbitrary watch face (dial) of the Samsung GWD to be rendered on an Android phone, thereby improving the old parser which was completely hardcoded for some specific watch faces only.

Research Interests

The broad area of data management and mining; currently focusing on efficient approximation of network metrics in complex big graphs (e.g. uncertain graphs, social networks)

Publications

- **Voting Based Opinion Maximization in a Social Network**. Arkaprava Saha, Xiangyu Ke, Arijit Khan, Laks V.S. Lakshmanan. (Under Review) *International Conference on Very Large Databases (**VLDB**) 2022.*
- **Shortest Paths and Centrality in Uncertain Networks**. Arkaprava Saha, Ruben Brokkelkamp, Yllka Velaj, Arijit Khan, Francesco Bonchi. *International Conference on Very Large Databases (**VLDB**) 2021.*
- **Reachability in Large Graphs using Bloom Filters**. Arkaprava Saha, Neha Sengupta, Maya Ramanath. *IEEE International Conference on Data Engineering (**ICDE**) 2019 Workshop on Large Scale Graph Data Analytics.*

Services

Program Committee (PC) Member

2021 SEA Data @ VLDB

External Reviewer

2019 VLDB, WWW, CIKM, DSAA

2020 SIGMOD

2021 ICDE, VLDB

2022 VLDB

Student Volunteer

2020 VLDB

Positions of Responsibility

2019-2020 President of NTU School of CSE Graduate Students' Club

Teaching

Teaching Assistant (TA)

NTU Data Structures and Algorithms, Introduction to Databases

Technical Skills

Languages C, C++, Java, Python, SQL, SML

Software MATLAB, LaTeX, Android Studio

Honors and Awards

2019 **University Teaching for Teaching Assistants**, *Nanyang Technological University (NTU)*, Singapore.
Officially certified by the university as "Recommended to Teach"

2014 **JEE Advanced (IIT-JEE)**, *Indian Institutes of Technology (IITs)*, India.
Secured **All India Rank 98** out of around 1.3 million students and **State Rank 1**

2014 **West Bengal Joint Entrance Examination (WBJEEM)**, *West Bengal Joint Entrance Examinations Board (WBJEEB)*, India.
Secured **State Rank 6**

2013 **Kishore Vaigyanik Protsahan Yojana (KVPY)**, *Department of Science and Technology (DST)*, Government of India.
Selected as a **Fellow** in the SA stream with **All India Rank 56** out of around 0.15 million candidates

2012 **Regional Mathematical Olympiad (RMO)**, *Homi Bhabha Centre for Science Education (HBCSE)*, India.
Among 35 students in West Bengal to qualify for the national level examination

2010 **National Talent Search Examination (NTSE)**, *National Council of Educational Research and Training (NCERT)*, India.
Selected as a **Scholar**
